

Awaken School

Of Outcome Oriented Psychotherapies Ltd

Intermediate in Clinical Hypnotherapy

Who will benefit from attending this course?

This course is open to anyone who has previously trained in Hypnosis and Hypnotherapy and who wants to expand their skills and practice. It is designed to take you from knowing how to use Hypnosis to being able to offer effective Hypnotherapy to a greater range of clients.

Why Attend this Course?

The more skills you have, the more you are able to help clients by offering a greater range of interventions. By understanding how some of the most gifted of modern therapists work, you can learn how to incorporate the skills into your own practice. The full programme will also count as one year of training against the pathway towards UKCP accreditation through Awaken School

What is included?

Individual modules include – for a full list, please visit the website:

- Understanding the 3 different models of Hypnotherapy
- Understanding how a clients history effects their presenting issues
- Studying 3 proponents of trance working effectively at present
- How to work safely with a greater range of medical issues
- How to work safely with addictions and disorders
- Understanding master language patterns

Investment:

The course costs for 2009-10 are £1800 (no VAT)

CPD modules:

Please remember, individual weekends can be taken as CPD training through the school. Which particular modules interest you?

Individual modules costs for 2009-10 are £200
